GRAPHIC DESIGN INTERN

Kode Magazine - Los Angeles. Internship. Our team is searching for a motivated and talented Video Editor to join our developing Editorial team. Within this dynamic role, you will be responsible for editing a wide range of Product and Editorial content ranging from magazine covers, key art, openers, newsletters, merchandise, social media assets, motion graphics, pitch decks and more. Working closely with a small team, you will be responsible for assisting in developing and growing KODE's visual imprint across all platforms. Can-do spirit and willingness to work hard creating a range of content in a fast-paced and deadline-oriented environment. Be a part of KODE's editorial team and will create content that is reaching millions and sparking cultural conversation and joyous entertainment. Collaborate daily with editors and creative directors across our Editorial team in finding new ways to create the most engaging and meaningful content possible. As our audience grows we are excited and eager to bring on the best talent to contribute to an innovative, diverse, and emerging brand. The graphics designer should also have a conscience on KODE's aesthetics/branding. Design kick-ass content that captivates. Chose awesome typography. Create web graphics and marketing collateral consistent with our brand image. Design new site pages, banner ads, social media content and email newsletter. Email design and final asset delivery, including animated gifs. Retouching including colorization, resizing, etc. Identify and propose new opportunities appropriate for the brand that could improve the social media, website experience, and conversion rate. Solving design problems while wearing multiple hats. Research and develop new graphic ideas, materials, and techniques. Demonstrate the ability to visually translate ideas into a final product. Proficient in Adobe Creative Suite (Photoshop, Illustrator, InDesign). (Motion Graphics in Aftereffects a PLUS). A keen eye for good design, and attention to detail. Proactive, forward-thinking and hungry to learn. Able to handle multiple projects simultaneously while meeting deadlines. Must be incredibly detail oriented. Ability to create designs that reflect the brand's set style guide.

Strong creative and fashionable eye for layout and spacing.

STUDENT INTERNSHIP - GRAPHIC DESIGN - SUMMER 2018

Gensler - Los Angeles. F/T, Temporary, Internship. Paid internship opportunity beginning approximately June 2018 and ending August 2018. Must be available for the entire duration of the program. Work on graphic design projects as a fully collaborative member of a design team, participating in design charrettes and learning sessions focused on delivering a successful project for our clients, large or small. In addition to hands-on learning, experience educational sessions and mentorship opportunities that include lectures, project tours, vendor visits and a group project. Enjoy the rich culture of our firm and the broader office community through a number of events and learning opportunities focused on supporting your professional licensure efforts. Currently enrolled in a Graphic Design, Architecture, Interior Design, Industrial Design, Product Design or related degree program; accredited program highly preferred. Interested in graphic design, digital design, branding, environmental signage and wayfinding, as well as graphic design expressed within the 3-dimensional architectural environment. You have completed your third year of an undergraduate program or first year of a graduate program and/or you are returning to your program after the internship and will be graduating within one year. Proficient using Adobe Creative Cloud Suite (Adobe Photoshop, Illustrator, and InDesign). Experience using CAD tools a plus. Proficiency with MS Office (Excel, Word, Outlook, PowerPoint). Hand sketching ability a plus.

Submit an online application on Gensler.com/Careers, including a resume, cover letter, and portfolio, including work samples that demonstrate design process and innovative design solutions (PDF format with 2-4 work samples). (PDF 10 MB max in total, or a link to your online portfolio). This posting will remain open until April 30, 2018.

FREELANCE PHOTOGRAPHERS

Love Zylah - Los Angeles. www.lovezylah.com Contract. Know how to make modeling portfolio books. Online fashion e-commerce store based in Las Vegas. Experienced, creative, and professional! Day #1: Take pictures of 12 models consisting of 3-4 looks each in one day and make modeling portfolio books for each model that will need to be done in 1-2 weeks max. We will have a studio location in Los Angeles and you will be required to provide your own materials (camera, lighting, etc.) P.s. you will also be taking pictures of models from VH1 America's Next Top Model who have a huge social media following therefore you can gain an incredible amount of exposure as we will give you photo credits. We will also provide drinks and snacks on set as this will be a full day of shooting and you are welcome to bring a muse. Day #2: We are having a fashion show in Los Angeles and we need a photographer to take pictures/videos of the event. Take pictures of the models on the runway, the scenery, guests, red carpet, etc. Take videos of the event. We will have several celebrity appearances ranging from Apryl from VH1 Love and Hip Hop Hollywood (2.4m+ following), music artist Wolftyla (1.4m+ following) and many more! Day #1-3: We are having a modeling competition and we need a photographer who can live stream or take videos of the competition. Record the models interviews, modeling training with America's Next Top Model, etc. If you can do all of the above tasks that would be perfect!! If not that is still okay. Connect with us! Instagram @lovezylah
Send a link to your portfolio, rate, and what day(s) you would like to be involved in.
