

# ZOMBIE ARMATURE TEMPLATE

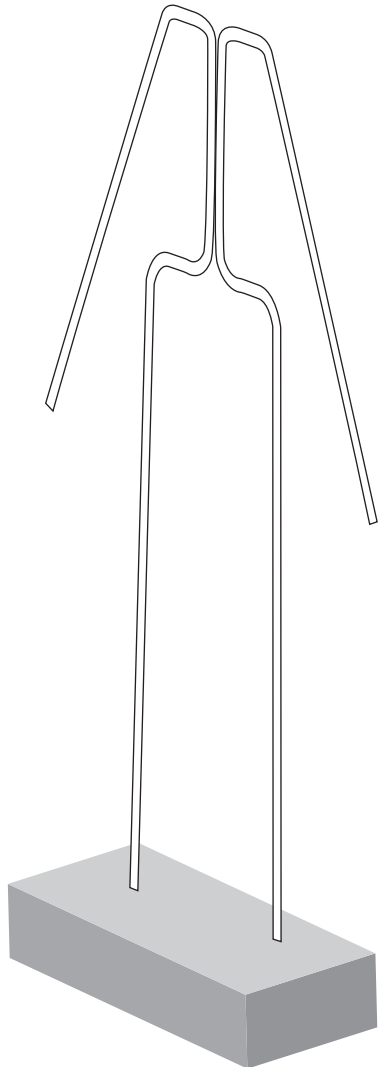

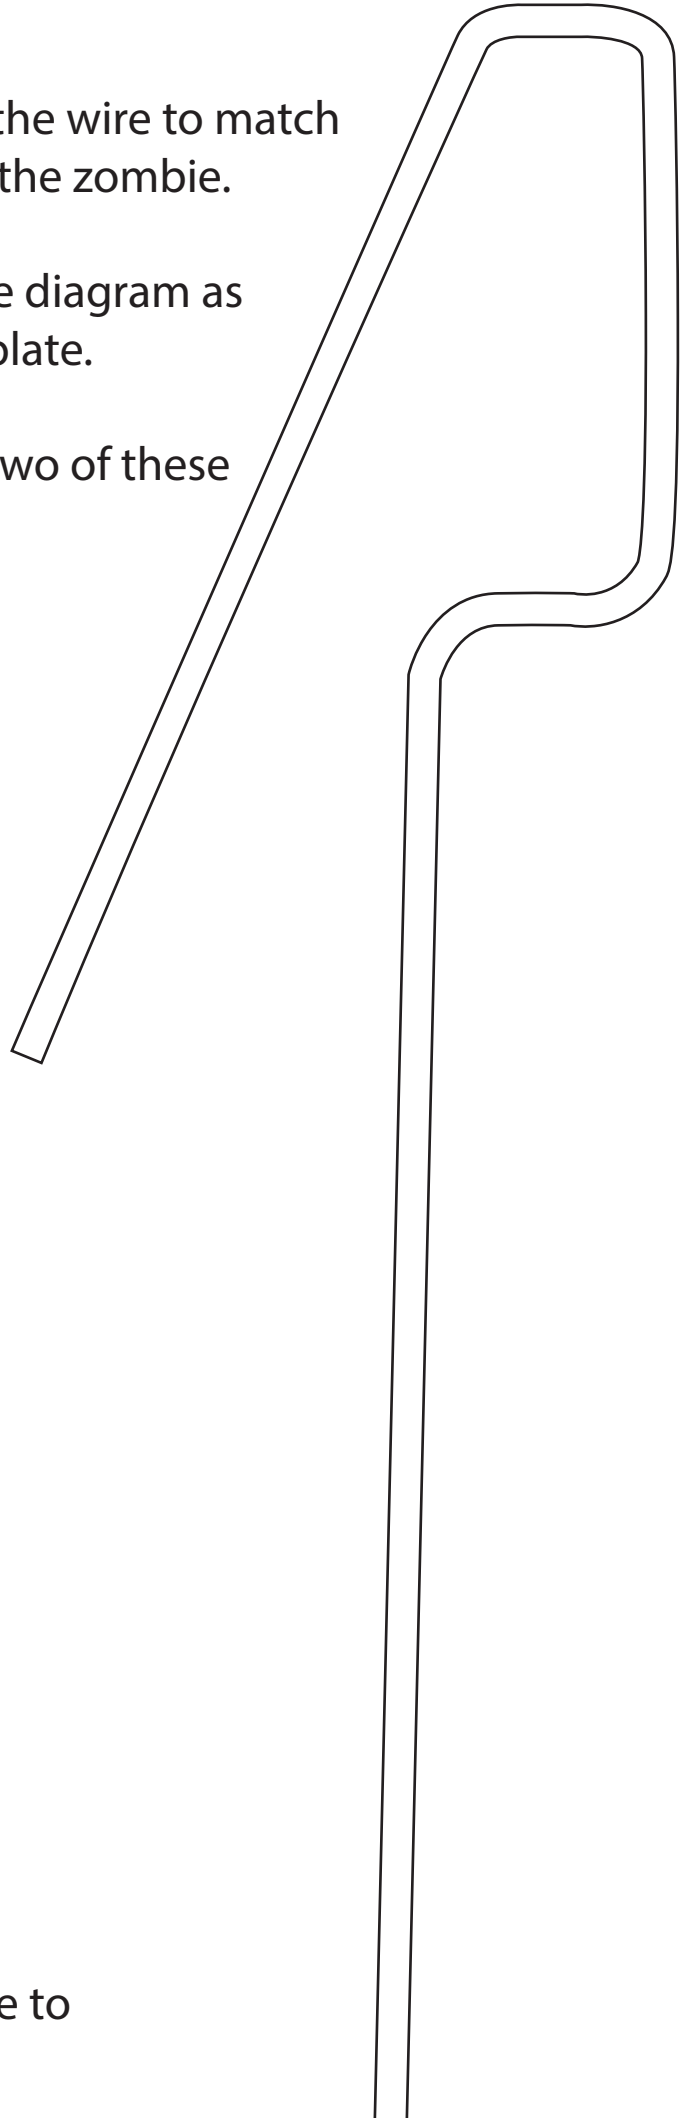

**Step 1** - Wrap the 3/16 thick wire with the small 18 gage wire.  
This securely attaches the clay.

**Step 2** - Bend the wire to match  
1/2 of the zombie.

Use the diagram as  
a template.

Make two of these

**Step 3** - Secure the armature to  
the wood base.
