## JUNIOR ART DIRECTOR OF PHOTOGRAPHY - HauteLook - 166076

Superb eye for style, visual composition, and attention to detail, as well as an exceptional talent for understanding fashion and creating aspirational stylistic images and make those ideas a reality on set. Assist the Photo Studio Director (PSD) in managing 8+ RTW studio's daily that consist of the gamut of styles, strategies and brands. Collaborate with the PSD on all aesthetic decisions: seasonal concepts, special projects, themed days, studio hero execution, location hero execution and continuity. Support the PSD in implementing creative direction by examining daily creative colors and treatments and balancing the photography assets to create daily event page continuity. Check FileMaker for any special hero requests on all events. If there are no hero specifics sent by the Brand, the Jr. AD will select the merchandise for the hero and insure a balance of styles and colors are represented each day. Assist photographers with the selection of hero shots and insure they are posted to appropriate server folder for Graphic retrieval. Update daily InDesign documents and provide teams with updated PDF's to inspire Hero imagery and continuity. Provide the PSD with feedback on creative talent selections (models, photographers, stylists.) Collaborate with PSD on model castings and daily model assignments. Strong awareness of Hair and Makeup technique and on-set conventions to insure that hair and makeup is "on brand" for line. Create daily files of successful Hero imagery for future inspiration. Proactively manage times and deadlines of Hero photography according to teams schedule and dates of sale. Work toward innovative ways to show off the merchandise in the best way possible. Communicate with graphics regarding hero status and retouching needs. Excellent time management skills. Ability to make quick intuitive decisions. Multi task in a high traffic environment. Work independently. Possess an eye for composition. Fashion Obsessed.
