

WALKING BIPED

Beginning Level
(Point Value - 1 to 5 points)

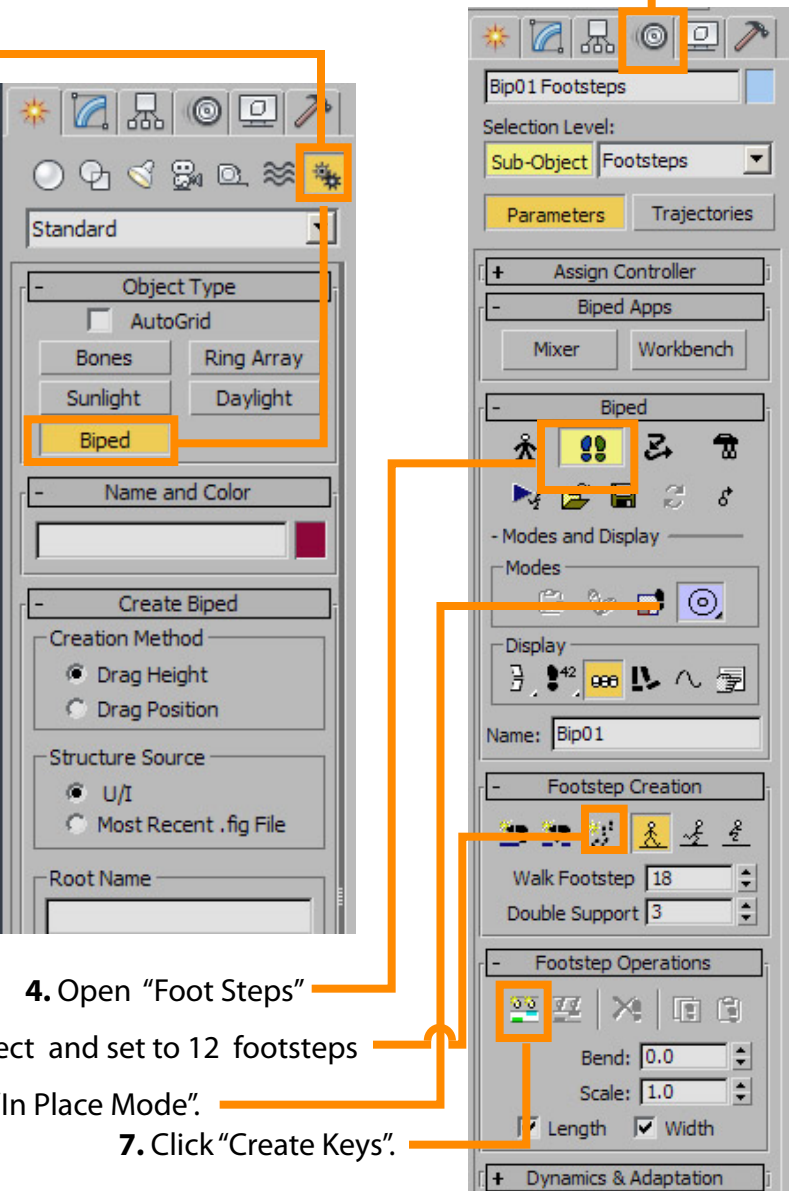

1. The Biped is found under "Systems"

2. Select the Biped button in the Perspective viewport, click and drag a biped figure.

3. Select the "Motion" panel

4. Open "Foot Steps"

5. Select and set to 12 footsteps

6. Select "In Place Mode".

7. Click "Create Keys".

Last, click the Play button on the timeline.
